

Beamers Holiday Club

Summer Activities 2026

Our holiday club offers your young person fun activities, day trips and opportunities to form new friendships.

To be able to access this service, you will need to be a paid member of Beams.

Every child attending our holiday club will require a support plan so that we can understand more about your young person's needs; this service is suitable for those young people that **do not require 1:1 support.**

Please remember a packed lunch, drink and appropriate clothing for your child for each activity.
