

Beams

Supporting disabled children & families

Job Title:	Senior Payroll Officer
Reporting to:	Finance Manager
We Are Beams Grade:	D
Location:	Allsworth Court, Hextable

Job Purpose

To lead on the running of a busy Payroll service, ensuring an accurate and high quality service to our customers, who are predominantly families of disabled children and adult recipients of direct payments/personal budgets.

Be responsible for day-to-day decision making that ensures the smooth running of the service, and support the Payroll Team to become competent in their roles.

Main Responsibilities and Duties:

- Lead with competency and efficiently running the payroll functions from start to finish.
- Ensure timesheets/data are received and processed in time to complete payrolls to agreed deadlines.
- Making payments and keeping accurate payroll records.
- Lead with setting up and ensuring all records are completed and fully maintained.
- Dealing with all incoming enquiries to the Payroll Service either by phone or by email and ensuring that all enquiries are dealt with efficiently and in a timely manner.
- Develop and maintain an effective working relationship with payroll customers and other agencies.
- Manage returns including year end.
- Ensure best service levels are delivered at all times and look for ways of improving and increasing service delivery.
- Liaise, as required with direct payment support workers to support service users accessing the payroll service.
- Ensure information is stored in a secure way and confidential manner.
- Maintain payroll guidelines policies and procedures.

Other Responsibilities:

- Lead on training to the Payroll Officers, ensuring the service is performing to the highest standards.
- Responsible for processes and procedures, ensuring these are robust to maintain Payroll services for our clients.
- Attend external meetings and functions to represent the Charity where required.
- Any other reasonable tasks as and when required.

Personal Specification

Beams

Supporting disabled children & families

The following outlines the Essential criteria for this post.
Applicants should describe in their application how they meet these criteria.

	Criteria
Qualifications	• Recognised Payroll Qualification or significant and recent practical experience in a payroll environment, demonstrating the ability to undertake the full range of duties and responsibilities of the role
Experience	• Accuracy under pressure, competent with figures whilst running high volumes of payrolls • Evidence of using Microsoft packages in the work place • Reporting relevant information at all levels
Skills and Abilities	• Good, confident, communication skills.
